2022 Membership

This year, we hope to accomplish even more towards our stewardship of America's National Parks.

The Friends of Canaveral urge your support of Canaveral Seashore National Park, as your Park, and discover its recreation, conservation, and historic preservation programs in your own backyard.

However, we couldn't do it without your continued membership, or by giving a gift membership to your friends or family members.

As always, thank you for your continued dedication to our organization. We look forward to serving you for another year.
